“We are delighted to be recognized once again by the Pittsburgh Business Times as a leader in the online marketing and multimedia community,” said Bryan Thornberg, president and CEO. “It’s such an honor, and it lets our team know that we are still moving forward. Fulfilling this award motivates the HI team to work even harder for the following year.”

For more than a decade, Higher Images Inc. have been providing a strong online presence that lead businesses to choose HI for the majority of its online marketing needs. The HI team of experts shares an impressive array of skills and experience in not only marketing, but also tracking. During this new age of digital marketing, Higher Images is able to offer clients beneficial services including search engine optimization, social media marketing, photography and video production, and website design; as well as providing its own products, Search Magnet Local™, Webtracker Marketing, and its newest digital HI™ Technology.
